**Bring Healing
Home...**

“After my surgery, I needed help caring for my wound, physical therapy, and meal preparation.”

Choosing the right home care provider can be overwhelming.

You or your loved one may have just faced a major life changing event. Whether it is surgery, a newly diagnosed illness that has become unmanageable, depression, dementia, or a stay at a rehab facility; your choice is an important one.

You want to be sure that the home healthcare provider you choose is right for you and your family.

FirstChoice Home Health offers continued medical treatment in a comfortable, familiar environment- your home. This care keeps families together while helping them adjust to a new lifestyle.

We are here to answer your questions...

Because home is where you want to be.

Who is FirstChoice Home Health, and are they an established home health care provider?

FirstChoice Home Health is a Medicare and Medicaid certified agency that has been specializing in providing home health care since 1998. We are an Ohio based company owned and operated by a group of dedicated and highly experienced home care professionals.

Who will be providing my care, and how can I be assured that they are trustworthy?

FirstChoice Home Health has earned its reputation through adherence to the strictest standards when hiring all personnel that are providing services for our clients. All of our staff are licensed, bonded, and undergo a thorough background check and drug screening to ensure your safety and security. Only those individuals who meet these requirements and who have demonstrated excellent clinical skills, compassion, and a dedication to caring for others are selected.

What do I need to do to get assistance in my home?

Arranging care with FirstChoice Home Health is convenient and stress free. Working closely with you and your physician, we will determine and coordinate your eligibility for homecare services, verify your benefits and manage all needed services.

“Dad needed help taking care of himself that I just couldn’t provide...”
